Regulations for Hunting on Club Property

Board of Director's Regulations:

- **Hunting and range use will not occur at the same time on club property.**
- Range Open and Range Closed signs must be used at all times at both the range and the entrance gate.
- Hunters must read, sign a declaration and carry a card from the board that they will follow all the club's rules when hunting on club property.
- Hunting and range use during small game and big game seasons will be on a first come first served basis
- No hunting during the last week end before big game season. This allows club members a week end to sight in their firearms before big game season opens.

Rules for Hunting on Club Property:

- Club members only may hunt on club property.
- Range Open and Range Closed signs must be used at both the entrance gate and range pavilion. Before hunting the range use sign must be flipped to say hunter in woods and last hunter to leave is to flip it back to range use only.
- Hunting under the influence of alcohol is prohibited.
- Firearms are to be fired in a safe direction only.
- Firearms are to never be pointed at people, buildings or vehicles on club property.
- Firearm muzzle is to be pointed in a safe direction at all times.
- All empty/used brass/arrows are to be removed from club property daily.
- No hunting from inside the main cabin or from under the front porch area.
- Park in designated areas or off club property.
- No physical confrontations are allowed on club property.
- Failure to follow these rules for hunting on club property can result in a hearing before the Board of Directors and revocation of club membership privileges.
